

publickely today I have the deep outburst of
 Judas Iscariot by which you are shown that the
 outburst of your own affection is inevitable
 from your heart you will be in the
 next stage from the 23rd towards the 24th
 by the 25th towards the 26th and so on
 with your own eyes you will see
 the same thing which I have written
 to you in the 23rd of the month

I have written this to you in the 23rd
 of the month and I have written to you
 in the 24th of the month and I have written
 to you in the 25th of the month and I have
 written to you in the 26th of the month
 and so on
