

Wilhelm byder gratien Wods Prince van Oraenien, Brauc van Nassau, van

Cate, excellentie van Diederich, Ducht, August, Bartsch, ... (The text is a dense Latin document, likely a patent of nobility or a similar legal instrument. It contains numerous names of nobles and officials, and discusses various rights and privileges. The text is written in a formal, historical style with many abbreviations and specific terminology.)

Et ordonantie van zyne Excellentie

(Handwritten signature and date)
