Valaeo:

Quando sic [illegible] vidisti, Vir doctissime, ut amicos
Hagae, nisi in discrimine valetudinis ea inviseas, ~~[illegible]~~ potior,
et ipsi imminens currimus, ut nos quos adire [illegible] duximus,
tandem adire in discrimine [illegible] habeamus. [illegible]
capsulam, quâ me indemnem inter tot morborum plagas
toto aestatis spatio stetisti, totam pridem exhausi: et
iterum manu vacua ~~[illegible]~~, obnixe rogo
ut alteram subsidio promptè mittas; sed nec mittas
tamen, nisi addita componendi ratione, quâ me
obaeratum tibi agnosco. Dupliciter me ~~[illegible]~~ dono obstringes,
si et pretio satisfeceris, et post [illegible] felicitate,
quo dixi pacto, me compleveris. Hic [illegible],
~~[illegible]~~ capior, quod officio probo et jucundo
perspexi, beneficii ~~gratiam~~ [illegible], quod multi soleo,
addictâ post se aleo, ~~[illegible]~~. Sed videor
ad te naturae ~~[illegible]~~ magnia [illegible] multi patiuntur. Tu
tamen amas, qui [illegible] caeteris [illegible]
~~[illegible]~~ [illegible] venatione ~~[illegible]~~ [illegible].
pro mali fluxus in obscuro dici, quo per te
stare ne sinas ut ~~[illegible]~~
bene valeam; et dein, sed qui Deo ipsum
tibi ~~[illegible]~~ [illegible] apprecabor [illegible]
