Non desino importunus esse Humanitati vestrae,  
quia saec mulier sine responso redit, refutans  
solum h~~itteras~~ ad significandum de Bapo. Obire  
itaque rogo, ut intentionis Ser.<sup>m</sup> Principis  
Anriaci participes reddammur, et experietur Huma-  
nitas vestra quam gratiam non solum j's sed  
et misi erit, quicquid sae in re agetur.

Vale, Amicorum optime et Integerrime et  
Salve a.

Ino, cultu et obsequio,  
addictissimo

Panteano G.

and as we always made a memorandum  
of what condition it was in before  
being sent to us, so will our usual  
example suffice without any trouble.

2  
metamorphosis and development which no  
other species requires as a condition and susp  
ends development in animal mode  
and with which it has great affinity  
with the insects so commonly reported in that  
region of the country and among them  
the commonest and breeding time finding  
itself around the waters most
