I have heard the best Physicians of
the Army say, that against the cold
of this season, there is nothing so warme
and wholesome, as a Washen cutt out
of a Coromils Arre: in some time
making cooler. say that in the City
Spring and Earth it will ease an
Erect man of many inordinations.
So that some dare compare it to the
Ching of a Pistigge, w^{ch} they
maintaine to be good wth moneths in
the year. There upon I have made
bold to provide y^e this morning wth
so souvaire a remedie, Hoping that
y^e will accept of it the more
kindly, ^{and blessing} it is signed not
onely wth the hand, but also
wth the Seale.

S^r. of my
