In accipiendo, et suo nomine Celsissimo Principi offerendo panegyrico, super devicta Hulsta conscripto, animum vrum promptissimum litteris suis filius meus mihi narravit; quod meritum, praeter nostrum meritum, si nec pater nec filius semper agnoscant ingrati audiant merito. filius an officio hic satis functus sit, dicere non possum; si quid ab eo peccatum, juventuti ut condonetur rogo: animum meum gratissimum et D. V^ra^ in aeternum obligatum absens hoc verbulo offerre volui, addito levidensi gratitudinis signo, quem ut D V^ra^ non spernat, submisse et unice rogo: quo fretus D vram cum lectissima familia Deo clementissimo commendo, ab eo felicissima quaeque D. V^ra^ vovens

D. V^ra^ obsequentissimus Joes Tollius,
