The first thing I should mention is that
 I have received your letter of the 11th
 and I am glad to hear from you.
 I am well and hope these few lines
 will find you the same. I have not
 much news to write at present.
 I am still in the same place and
 doing the same business as before.
 I have not yet had time to visit
 my friends and family as I would
 like to do. I am sorry to hear
 that you are not well. I hope
 you will soon be better. I am
 sure you will be in no danger.
 I am writing you a few lines
 to let you know that I am still
 thinking of you and of the
 good times we had together.
 I am sure you will be glad to
 hear from me. I am sure you
 will be well soon. I am sure
 you will be in no danger.
 I am writing you a few lines
 to let you know that I am still
 thinking of you and of the
 good times we had together.
 I am sure you will be glad to
 hear from me. I am sure you
 will be well soon. I am sure
 you will be in no danger.
