Amplissime, nobilissime, et clariss. Domine,

Pro divina Eufrasia, quam ad manus meas pervenire voluisti, gratias ago quas possum maximas, legi illam, ut omnia tua, summa cum admiratione et voluptate. Si hoc opusculum ἀντιδώρου vice accipere non fueris dedignatus, beneficiū duplicaveris. in argumento tenui versatur, sed quod citra manifestum periculum non poterat negligi. Non morabor tua tempora, vir Amplissime et nobilissime. Deus te reip. et literarum bono diu sospitem esse velit. Lugd. Bat. IV Maij die a° 1647.

Tuae nobiliss. amplit.
addictissimus
