Virorum Summe

Neq. molestus interpellator fores tuas pulsaturus accessissem me turbatum quieta; nedum ulla designationes, quae Otio proxima mentis tuae serenum nubilarent. Eram more meo, futurus congerro; ne multi quidem sermonis aut Joci, sed subjactabundus, et vel mihi applaudens, in carmine sub manum nato, ac tantum non extemporaneo. Reditura hinc erat summarum summa, traditurusne essem typis ex= scribendum, an vero cum Aiacis Sophoclei praestaret ut in spongiam incumberet. Quantillumcumq. hoc est, exasciatissimo Herois Zulichemi judicio commissum esto, cui ut omnia mea submitto, ita quoq. vel in tantum probari posse contendo, quanto mortalium nulli vel plura vel maiora desidero, ac deferri debere censeo, qui si quid consedere dignetur sum
