CONSTANTINO HUGENIO V. NOBILISS.

Quod tuum est, tibi ego offero, Hugeni Constantine, Virorum nobilissime. Puteani Epistolæ sunt, amoris ac fidei, humanitatis ac elegantiarum omnium coagulum. Addo etiam, beneficium in publicum ac me tuum. Quod enim tibi soli scripta, non ego modo, sed et alij iam legant, ac meis id votis datum sit, libens gratusque agnosco. Tu autem, Vir illustris, talis porro esse perge, qualem, id est, omnibus eiusdem fortunæ ac loci alijs imitandum, te hic legis; et ab eo salve, qui ut rarissimum sæculi ornamentum te colit.

ACAD. LUGD. BAT. BIBL.

Illustri tuo nomini

Obstrictissimus, dicatissimus

Marcus Zuerius Boxhornius.

Quid ex SCYTHIA illâ nostrâ, illâ, ut iste loquitur, vaginâ gentium et officina nationum, proxime exspectandum sit, ex his quæstionibus, ad quas iam respondes, facile intelliges.
