

Vir illustris,

Mitt ad me frater eorum poematum

 vellet, ita imprimis tui rationem habendam
 putavit, quod ille ut rarij Jovis hinc

 satisfaciendum tibi exemplar offero, quod ut
 libens suscipias, & non proteris sed affectu
 utiq; utiq; rogo. Vale, vir humanus.
 Amstelredami 22 Junij 1699.

Omni affectu & obsequio tuus,

Wilhelmus Joosius
