

Illustri viro
Constantino Heugensio Zuberiano
Nicolaus Heinsius S.

De gratia me tecum agere coram propositum mihi erat,
Vix illi, id tamen ut fiat nondum a valitudine
possum impetrare. Quare mitto in anthe. Bona assidua,
junculas nonnullas, sed plerasque minoris rei, ob id,
autem potius mandatis tuis, quam quod in ijs operas pretium
videbar fuisse. Vale cum tuis. Hagae Comitum
ex archibus Guelfianis. Ad 1707. a. d. XXV Sept.

Commissie van de Staten

van de West-Indische Compagnie

The content of this document is extremely faint and illegible. It appears to be a formal report or decision from the West India Company's commission, likely detailing matters related to the colony of Suriname.
