

10
A. M. B.

1024.

Mr
to Be

Handwritten text, likely a letter or document, written in a cursive script. The text is mostly illegible due to fading and bleed-through from the reverse side of the page. There are several dark ink blotches and smudges, particularly a large one in the lower right quadrant. The text appears to be organized into several paragraphs, with some lines starting with capital letters or specific words that are difficult to discern.
